We here at Arisa Health strive to accommodate and serve our clients through life and its many changes, but we need your help to do so! We're contacting you to discuss missed appointments and how you can partner with Arisa Health in your medical and psychiatric care.

What are we asking?

- *We ask that you consider partnering with us by notifying us more than 24 hours in advance of your need to cancel and/or reschedule your upcoming appointment.*

Why?

- *If you don't need your appointment, someone else does!*
- *Notifying us of your changing needs, in advance of your appointment will help others in your community by providing someone else access to a more immediately available appointment!*

How?

- *In the future, Arisa work to remind you of your upcoming appointments.*
- *For **NEWLY REFERRED CLIENTS**: Arisa will support individuals referred to Medical services by providing the ability to reschedule the New Patient Visit 1x after a no show or cancellation within 24 hrs has occurred. If a second no show or cancellation within 24 hrs occurs for a Medical Services New Patient Visit, You will need to wait 1 yr before being eligible to be referred again for scheduling with a Arisa Medical Provider.*
- *For **EXISTING CLIENTS** of Arisa medical services: Arisa will support individuals by providing access to Medical/Psychiatric care through the provision of a generous 3 missed appointments in a year buffer.*

We acknowledge that life has a way of interrupting even our best laid plans often making it difficult even to attend to our day-to-day needs. Therefore, If your missed Medical appointments exceed three in a year, your Arisa provider will further support you by providing a letter containing other options for your medical and psychiatric treatment in your area outside Arisa Health. ***Please note***- *If you are referred elsewhere for Medical/Psychiatric Services, you may continue in therapy services through Arisa at the discretion of and in communication with the referring Mental Health Professional.*
